Ski/Snowboard Reservation Policy

Ski/snowboard rental reservations must be paid in full at the time the reservation is made. You are eligible for a 50% refund if you call and cancel your reservation at minimum 48 hours prior to reserve date. If rental equipment is reserved for a holiday weekend (Christmas, MLK, SnoFest, etc.) no refund is available. Rental reservations can be made up to two weeks in advance of the date the customer will be using the equipment.

Condition of Equipment

Thoroughly inspect each item before leaving our facility. If the condition does not meet your satisfaction, simply ask any member of the Outdoor Recreation Team to replace it with a like item or have the loan receipt annotated to indicate the discrepancy. It will be assumed that any equipment checked out is in a serviceable condition unless noted on the receipt. Damage or loss of any item will be charged against the user for the cost to repair or replace that item, in accordance with applicable regulations. All equipment must be returned in its pre-rental condition, i.e. tents will be completely dry, food preparation and storage equipment should be well cleaned, ice & water coolers must be thoroughly dry, cleaned inside and out.
