Welcome to Peterson Air Force Base

Welcome to Peterson Air Force Base! We look forward to helping ease the transition to on- and off-base communities as well as area schools. If you're new to Peterson AFB, congratulations and welcome.

Peterson AFB is a wonderful place for families. In addition to great amenities and recreational facilities found around, and on, the installation, our location offers unlimited points of interest in the surrounding communities and local schools committed to providing a quality education for our children. As School Liaison Officer, my role is to improve transitional support for school age children of Peterson AFB personnel by establishing partnerships between the base and local schools, advocating for military children, increasing awareness of the unique needs of military children, and providing a process to address and resolve military-specific issues affecting students in kindergarten through 12th grade. We are very fortunate to have committed educators at all levels that are willing to help military families on a day-to-day basis. They appreciate our service to our nation and we appreciate *their* service to our children, our communities, and our nation as well.

There are many school systems serving Peterson AFB. Many base housing residents attend Colorado Springs School District 11 (D11), Falcon School District 49 (D49), and Harrison School District Two (D2). Colorado is a "Choice State" and families have the option to apply to many quality schools within multiple school districts. Parents are encouraged to research and visit local schools as part of their Colorado School of Choice Application; a sample of local school performance may be viewed in Appendix A.

For those wishing an alternative to public education, there are also many quality private schools in the area from which you can choose (Page 24). Many families also choose to home school and there are many active home schooling groups you may choose to join in order to share talents and resources.

We have an excellent relationship with the local schools. Our commitment as a member of the surrounding school districts/communities is very strong—we will need your help to continue to expand this relationship to help improve our schools. Please consider volunteering in your children's schools or participating in Peterson AFB's Adopt-A-School Program.

There is a lot of information in this handbook that you will hopefully find helpful. It includes general information about registration, school physicals, immunizations, and graduation information. This is followed by listings of, and information about, local schools (both public and private) to include links to their web-sites, addresses, and phone numbers to their administrative offices.

If you have any questions about the schools in the Peterson AFB area, please contact the School Liaison Officer at DSN 834-6141/7832, commercial (719) 556-6141/7832, or e-mail: victoria.reid@us.af.mil.

Ms. Victoria Reid
School Liaison Officer
Peterson AFB CO

General Information

SCHOOL LIAISON OFFICER (SLO)

The education and welfare of school-age children is a quality of life issue. Military families experience challenges with reciprocity and quality of education from location to location. School-age children are as transient as their military parents and may encounter transition and academic problems.

Every Air Force installation has a SLO to coordinate and assist parents of school-aged children with educational opportunities and information necessary to succeed in an academic environment. The SLO is the central point of contact for commanders, military families, and local school systems on school-related matters. Air Force SLOs network, educate, and work in partnership with local schools to address or enhance the military child's education. The Air Force SLO provides military commanders with support necessary to coordinate and advise military parents of school-aged children on educational issues and needs and to assist in solving education-related problems.

The SLO works to identify barriers to academic success and develop solutions; promote parental involvement in their children's education; develop and coordinate partnerships in education; provide parents with the tools they need to overcome obstacles to education stemming from the military lifestyle; and promote and educate local communities and schools regarding the needs of military children.

The Air Force SLO also connects families with Child and Youth Programs and Exceptional Family Member Program (EFMP), Family Support offices. Each branch of Service has SLOs ready to serve relocating families, regardless of the service member's Service affiliation, ensuring a smooth transition to their new civilian schools. World-wide contact information for School Liaisons is available on the Military K-12 Partners website. School Liaisons are listed by military branch and location at the following web-site: http://www.militaryk12partners.dodea.edu/resources.cfm?colId=liaison#af

School Locator: "Colorado Choice State"

The Colorado Board of Education recognizes that students may benefit from having a choice of schools to attend which is not limited by school boundaries. As such, both in-District and out-of-District students may enroll in programs or schools within Colorado Springs School Districts on a space available basis.

To apply for admission to a school other than their neighborhood school, parents complete a Choice Open Enrollment Form and submit the form to the school they wish to have their student attend. Annually, the open enrollment window for the next school year is as follows:

D-2 (Harrison School District) tentatively scheduled 4 Jan thru 31 Mar 2016
D-2 (James Irwin Charter School) 1 Oct 2015 – 31 Jan 2016
D-3 (Widefield School District) last day is 1st Friday in May
D-11 (Colorado Springs School District) 2 Nov 2015 – 12 Feb 2016
D-12 Cheyenne Mountain School District) begins April 2016
D-20 (Academy School District) 8 Jan - 26 Feb 2016
D-38 (Lewis Palmer School District) Oct 2015 thru 19 Feb 2016
D-49 (Falcon School District) Open year round

* * Schools may accept applications after the open enrollment period on a space available basis. Approved applications for choice open enrollment are valid up to the duration of the academic level (elementary, middle, or high school). Students must re-apply for choice open enrollment to attend a school other than their designated attendance area school at the next academic level.

State law further defines that applications may be denied only if (C.R.S. 22-36-101(3) :

- There is a lack of space or teaching staff within a particular program or school requested.
- The school requested does not offer appropriate programs or is not structured or equipped with the necessary facilities to meet special needs of the pupil.
- The pupil does not meet the established eligibility criteria for participation in a particular program, including age requirements, course prerequisites, and required levels of performance.
- The student is currently expelled or has been expelled in the preceding 12 months, or has been expelled as a habitually disruptive student or for a serious violation in a school building or on school property necessitating mandatory expulsion.

Generally, district transportation is not provided for students attending a school under choice open enrollment, unless required by law. Transportation to and from school is the responsibility of the parent/guardian.

Students granted open enrollment at the high school level have the same curricular and extracurricular eligibility as all other students attending the school, subject to the rules and regulations of the District, Colorado High School Activities Association and state law.

Choice Open Enrollment Forms, District policies, and frequently asked questions about choice open enrollment are available on the Districts websites (Page 19). A helpful checklist may be found at Appendix B, Page 44.

Military Interstate Children's Compact

The Compact provides for the uniform treatment of military children transferring between school districts and states. It was developed by The Council of State Governments' National Center for Interstate Compacts, the Department of Defense, national associations, federal and state officials, and departments of education, school administrators and military families. Children of active duty members of the uniformed services, National Guard and Reserve on active duty orders, members or veterans who are medically discharged or retired for (1) year, or members who die on active duty are eligible for assistance under the Military Interstate Children's Compact. Colorado is one of 50 states that have adopted the Compact.

Enrollment

• Educational Records - the compact provides that schools must share records in a timely manner in order to expedite the proper enrollment and placement of students. If the sending school cannot provide the parent a copy of the official record, an unofficial copy will be provided that may be hand carried to the school in lieu of the official record. This unofficial record can then be used for preliminary placement while the school sends for the official record. Once requested, the sending school has 10 days to provide the official record to the receiving school.

• Immunizations – the compact provides for specific timelines, in this case 30 days from the date of enrollment, for students to obtain required immunizations in the receiving state.

• Age of Enrollment/Course Continuation – the compact requires, absent a new enrollment in Kindergarten, that a student shall be allowed to continue their enrollment at grade level in the receiving state commensurate with their grade level from the sending state. For example, if a student is enrolled and attends Kindergarten at the age of 5 in State A and transfers to State B, the student would be allowed to continue in Kindergarten despite State B's entrance age of 6 years. Further, the compact allows for such continuity of enrollment when a student has completed Kindergarten and is ready for enrollment in First Grade. For example, if a student has completed Kindergarten in State A and transfers to State B, the student would be allowed to enter First Grade despite State B's entrance age of 6 or 7 years.

Eligibility

• Power of Attorney - special power of attorney, relative to the guardianship of a child of a military family and executed under applicable law shall be sufficient for the purposes of enrollment and all other actions requiring parental participation and consent.

• Tuition - a local education agency shall be prohibited from charging local tuition to a military child placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent.

• Non-custodial parents - a military child, placed in the care of a non-custodial parent or other person standing in loco parentis who lives in a jurisdiction other than that of the custodial parent, may continue to attend the school in which he/she was enrolled while residing with the custodial parent.

• Extracurricular activities - state and local education agencies shall facilitate the opportunity for military children's inclusion in extracurricular activities to the extent they are otherwise qualified.

Placement

• Course placement / Educational Program placement - when the student transfers before or during the school year, the receiving state school shall initially honor placement of the student in educational courses based on the student's enrollment in the sending state school and/or educational assessments conducted at the school in the sending state if the courses are offered. Course placement includes but is not limited to Honors, International Baccalaureate, Advanced Placement, vocational, technical and career pathways courses. Continuing the student's academic program from the previous school and promoting placement in academically and career challenging courses should be paramount when considering placement. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement and continued enrollment of the student in the course(s).

• Special education services – 1) In compliance with the federal requirements of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C.A. Section 1400 et seq, the receiving state shall initially provide comparable services to a student with disabilities based on his/her current Individualized Education Program (IEP); and 2) In compliance with the requirements of Section 504 of the Rehabilitation Act [insert federal statutory reference] and with Title II of the Americans with Disabilities Act [insert federal statutory reference] the receiving state shall make reasonable accommodations and modifications to address the needs of incoming students with disabilities, subject to an existing 504 or Title II Plan, to provide the student with equal access to education. This does not preclude the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

• Placement flexibility – local education agency administrative officials shall have flexibility in waiving course/program prerequisites, or other preconditions for placement in courses/programs offered under the jurisdiction of the local education agency.

• Absence as related to deployment activities – a student whose parent or legal guardian is an active duty member of the uniformed services, as defined by the compact, and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting, shall be granted additional excused absences at the discretion of the local education agency superintendent to visit with his or her parent or legal guardian prior to leave or deployment of the parent or guardian.

Graduation

• Waiver requirements – local education agency administrative officials shall waive specific courses required for graduation if similar course work has been satisfactorily completed in another local education agency or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the local education agency shall provide an alternative means of acquiring required coursework so that graduation may occur on-time.

• Exit exams - states shall accept: 1) exit or end-of-course exams required for graduation from the sending state; 2) national norm-referenced achievement tests or 3) alternative testing, in lieu of testing requirements for graduation in the receiving state. Within 12 months of the effective date of this compact, the Interstate Commission shall adopt a rule addressing the acceptance of exit exams.

• Transfers during Senior year – Should a military student transferring in his or her Senior year be ineligible to graduate from the receiving local education agency after all alternatives have been considered, the sending and receiving local education agencies shall ensure the receipt of a diploma from the sending local education agency, if the student meets

the graduation requirements of the sending local education agency. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Parents are encouraged to visit: http://mic3.net/index.aspx with additional questions.

New Student Registrations and School Physical Forms

New student registration for kindergarten through 12th grade takes place at your school. The district websites (Page 19) have information about enrolling your student, and enrollment forms that may be completed online, printed, and taken to the school. You may also access —School Finderll on: http://www.schoolchoiceforkids.org/english.phpto determine your neighborhood school, based upon your street address.

Only a parent or guardian may enroll a student in Colorado Springs School Districts. Along with a completed enrollment form for each student, you will need to bring:

1. Verification of child's birth date (birth certificate, passport, or military ID)
2. Immunization records
3. Proof of residency (current utility bill, lease, tax notice showing your name and the property address)
4. If student is not living with both biological parents, a copy of legal paperwork (custody/ guardianship) may be necessary
5. If student has an Individualized Education Plan (IEP) for special education services, a copy of the current/latest plan
6. Name and address of student's previous school to request academic records

For District 11, children entering kindergarten must be 5 years old on or before October 1.

Immunizations

You must provide one of the following to your child's school in order to comply with the law:

1. A completed Certificate of Immunization certifying that the student has received minimum immunizations as indicated above.

2. If a student's Certificate of Immunization is not up to date, the parent/guardian or emancipated student has 14 days after direct notification to provide documentation that the next required immunization was administered and submit a written plan for completion of any additional required immunizations. If the plan is not completed, the student shall be expelled or suspended from school for non-compliance. Exception to this rule is a shortage of vaccine.

3. Statement of Exemption to Immunization Law printed on the reverse side of the Colorado Department of Public Health and Environment Certificate of Immunization:

   a) a ***medical*** exemption signed by licensed physician stating that the student's physical condition is such that immunizations would endanger life or health or is otherwise medically contraindicated; or
   b) a ***religious*** exemption signed by the parent, guardian, or emancipated student that the student adheres to a religious belief opposed to immunizations; or
   c) a ***personal*** exemption signed by the parent, guardian, or emancipated student that the student adheres to a personal belief opposed to immunizations.

VACCINE	**Number of Doses**	**Grades K-12 (5-18 Years of Age)**
	Vaccines administered ≤ 4 days before the minimum age are valid	
Pertussis	5 to 6	5 **DTaP** or if dose 4 was administered on or after the 4th birthday, the requirement is met. The final dose must be administered no sooner than 4 years of age. (DTaP is only licensed for children under 7 years of age). 1 **Tdap** is required for students entering 6th through 12th grades.
Tetanus/Diphtheria	3 to 5	5 **DT** or if dose 4 was administered on or after the 4th birthday, the requirement is met. A student 7 through 9 years of age who has had only a 2 doses of DTaP or DT (before the age of 7 years) can meet the tetanus/diphtheria requirement by receiving a dose of Td if it is given 6 months after the 2nd dose. (**Tdap** should be given to students at 10 or 11 years of age to complete the tetanus/diphtheria requirement if possible).
Polio	4	4 **IPV** or if dose 3 was administered on or after the 4th birthday, only 3 doses are required. The final dose must be given no sooner than the 4th birthday. *A laboratory test showing immunity is acceptable.*
Measles/Mumps/Rubella (MMR)	2	For school certification, the 1st dose cannot be administered more than 4 days before the 1st birthday. The minimum interval between dose 1 and dose 2 is at least 28 days. *A laboratory test showing immunity is acceptable.*
Varicella (Chickenpox) *Documentation of disease from a health care provider (physician, RN or PA) is required.*	1 or 2	For school certification, the vaccine cannot be administered more than 4 days before the 1st birthday. 2 doses are required for children entering K, through 4th grade. 1 dose is required for 5th through 11th grade. *A laboratory test showing immunity is acceptable.*
Hepatitis B *Students who have not received 3 doses of Hep B vaccine prior to 7/1/09, must follow the minimum intervals recommended by the Advisory Committee on Immunization Practices (ACIP)*	3	**ACIP minimum intervals**: The second dose must be administered at least 4 weeks after the first dose. The third dose must be administered at least 16 weeks after the first dose and at least 8 weeks after the second dose. The final dose is to be administered no sooner than 24 weeks or 6 months of age. The 2-dose series is acceptable for ages 11-15. 2 doses can only be accepted using the approved vaccine for the 2-dose series with proper documentation (name of the vaccine, dosage, dates, and interval). *A laboratory test showing immunity is acceptable.*

Bus Schedules

District 11 operates no fee school bus transportation from Peterson AFB to Christa McAuliffe Elementary, Jack Swigert, Galileo & Mann Middle Schools and Mitchell High School.

For the Bus Schedule (Please e-mail SLO at: 21fss.fsfr@us.af.mil, and they will provide updated schedules).

District 11: No fees for transportation to public schools within the district.

District 12: **No public school transportation available.** Parent's responsibility to transport.

District 20 Fees SY 16-17:

Students who are eligible for transportation, but who ride infrequently, can purchase a booklet of 20 bus rides for $20. These can be purchases in advance at any school, at the Transportation Department, or at the Education and Administration Center. For more information, contact the Transportation Department, 234-1410.

- A ride to school is $1.00.
- A ride from school back home is $1.00.
- The booklet does not expire even after the school year.
- Rides from the booklet can be used for any student who is eligible for transportation.

Or you can purchase the following passes

Unlimited Rides per semester:

In-District Neighborhood students:

- $50.00 per student or $200.00 per family

In-District "Choice" students:

- $60.00 per student or $240.00 per family

Out of District "Choice" students:

- $70.00 per student or $280.00 per family

- There is no charge for special needs students who have transportation as part of their Individual Education Plan or their 504 Plan or ESL students who attend a magnet program
- There is no charge for students who demonstrate they are eligible for free or reduced lunch

District 49 Fees:

There are three options for payment:

- $200.00 flat fee for the year, as many rides as you want, paid in advance.
- $25.00 per month flat fee, for a maximum of $250.00 for the year.
- Pay per ride at a $2.50 per ride, not to exceed 10 rides per month.
- Rides within a month that reach or exceed 10 rides will be billed at the monthly charge of $25.00.

R.P. Lee Youth Center, Peterson AFB

Before and after school care, the School Age Program runs Monday – Friday based on District 11 school schedule and is closed all federal holidays.

Before School	6:30 am-7:30 am
After School	2:45 pm-6:00 pm
Camp / All Day Out	6:30 am-6:00 pm

Provide care for D-11 Kindergarten Program

Children may be in the program for more than 10 hours per day. For waiver information please ask the front desk staff. The program also offers transportation to and from Remington Elementary School in District 49. Full-day care on D-49 school breaks is also available. For details, contact the Youth Center at 719-556-7220.

Choosing a School

One of the most important decisions parents make is to choose which school district their children will attend. Many factors go into this critical decision. Most families that live on Peterson AFB send their children to Colorado Springs School District 11, Harrison District 2, or Falcon District 49. The largest, Colorado Springs School District 11, consists of 35 elementary schools (K-5), 9 middle schools (6-8), 5 high schools (9-12), 4 alternative schools, 9 alternative education programs, and 7 charter schools that serve more than 30,300 students. Many families living off base may choose Cheyenne Mountain District 12 (D 12) or Academy District 20 (D 20). There are many resources on the Internet, such as Great Schools, located at www.greatschools.org or www.coloradoschoolgrades.com to help you learn what others have said about a particular school, and to help you as you make this weighty decision.

School/Student Report Cards

Parents and students may view a school's tests results by visiting the school district, an individual school website or the Colorado State Board of Education: http://www.cde.state.co.us/index_home.htm. Parents can compare the results of various schools by using School View: http://www.cde.state.co.us/Accountability/index.asp.

Student records are tracked using the following resources:
D-11 Zangle, Parent Connect
D-12, D-20, D-49 Infinite Campus, Parent Portal

Colorado Academic Standards (CAS)

The Colorado State Board of Education has adopted new learning standards for K-12 education to include the arts, mathematics, reading, writing, and communicating, social studies, world languages, science, personal finance literacy, comprehensive health and physical education, and STEM (Science Technology Engineering and Mathematics). The primary goal is to better prepare Colorado students for success in college and the workforce in a competitive global economy. These common core standards have been adopted by many states. More information about the common core can be found at: http://www.cde.state.co.us/ContentAreas/index.asp.

Standards of Learning Tests

The Office of Standards and Instructional Support (SIS) at the Colorado Department of Education define what all students in all Colorado public schools should understand and accomplish in the core areas as a result of their elementary and secondary schooling. Colorado requires the mandated use of the following assessments:

Assessments required by the State of Colorado
Grades 3-10 **TCAP** (Transitional Colorado Assessment Program) reading, writing, math
Grades 5, 8, 10 **TCAP** science
Grades 3-10 **COAlt** (Colorado Alternative)
Grade 11 **11th Grade Alternate Assessment**
Grade 11 **Colorado ACT**
Grades K-12 **WIDA - ACCESS** (World-Class Instruction Design and Assessment - Assessing Comprehension and Communication in English State-to-State)
Grades K-12 **WIDA - APT** (ACCESS Placement Test)
Grades K-3 **DIBELS** (Dynamic Indicators of Basic Early Literacy)
Grades 4 & 8 **NAEP** (National Assessment of Educational Progress)
Pre-School **GOLD/TS Child Observation Record**

Special Education

The Individuals with Disabilities Education Act (IDEA) and Colorado's special education law require all schools to ensure that all identified children with disabilities have the right to a free, appropriate public education. Special Education and related services are provided at no cost to identified disabled students.

Delayed Openings – Early Closure

The school superintendents or designees can close schools, delay start times, or dismiss students early in the event of hazardous weather or other emergencies that threaten the safety, health, or welfare of students and staff members. The two primary factors in considering school closures are: amount of snow where drifting makes conditions unsafe for buses, and whether the wind chill is too cold for students to wait for a bus or walk to school. On days when school is cancelled or released early, all after school and evening activities are cancelled. Local television and radio stations will be informed by 5:30 a.m. that the starting time for the district will be delayed or that school is cancelled. If school is delayed, the decision about whether to close will be made by 7:30 a.m. If the decision is to have school after a delayed start, there will be no further announcements. Delays are always two-hour delays. Buses will run two hours later than normal and schools will start two hours later.

AM Radio Stations
KRDO 1240, KVOR 740, KKML 1300, KCMN 1530, KZNT 1460, KCBR 1040, KGFT 100.7, KBIQ 102.7, KILO 94.3, KYZX 103.9, KKLI 106.3, KVUU 99.9, KIBT 96.1, KCCY 96.9, KRCC 91.5, KRDO 105.5, KTLF 90.5, KTPL 88.1, 88.3, KKFM 98.1, KKMG 98.9, KKPK 92.9, KATC 95.1
TV Stations
20TV (Comcast Channel 19), KOAA, KKTV, KRDO, Fox 21

Peterson AFB Snow Line 556-SNOW (7669)

Parent Teacher Association (PTA)/Parent Teacher Organization (PTO)

You are encouraged to become active in your schools. Many schools have PTAs or PTOs; contact your child's school to determine time/location. If your school does not have a PTA/PTO, why not start one yourself? Schools are happy to have committed parents helping facilitate the education of children.

Impact Aid

The mission of the Impact Aid Program is to disburse Impact Aid payments to local educational agencies that are financially burdened by federal activities and to provide technical assistance and support services to staff and other interested parties. At the beginning of each school year, or at first quarter parent/teacher conferences, your child's school will send home a federal survey card to be

completed by a parent or guardian. Please complete and return this form. Since 1950, Congress has provided financial assistance to local school districts through the Impact Aid Program. Impact Aid was designed to assist local school districts that have lost property tax revenue due to the presence of tax-exempt Federal property, or that have experienced increased expenditures due to the enrollment of federally connected children. It is **VERY** important for you to fill out these forms as they are tied to monies for your child's school. This is extremely critical in the current economic climate. Please fill out the forms and return them in a timely manner.

Graduation Requirements

Colorado Springs School District 11 graduation requirements are based on the number of units of credit earned in grades 9-12. A unit of credit is defined as the amount of credit given for successful completion of a unit of work as defined by the high school course handbook.

Subject Area Credits Required for Graduation:

English 8
Math 6
Science 6
Social Studies
US History and US Government required 6
Economics 1
Physical Education 3
Health 1
Computer Education 1
Practical Arts
Applied Technology, Business, Consumer and Family Studies 1
Humanities
Visual Arts, Performing Arts, Foreign Language 2
General Electives 11
Total 46 earned in high school

Home Schooling

Home schooling is deregulated in the state of Colorado. Therefore, the parent or guardian is taking on all of the responsibility for the student's education including but not limited to; the acquisition of books, supplies, tests, and maintaining permanent records.

- Your program shall include no less than 172 days of instruction, averaging four instructional contact hours per day. (22-33-104.5(3)(c), C.R.S.)
- Your program shall include, but is not limited to: communication skills of reading, writing and speaking, mathematics, history, civics, literature, science and regular courses of instruction in the constitution of the United States. (22-33-104.5(3)(d), C.R.S.)

State Requirements:

- The parent or guardian must provide written notification explaining the intent to home school his or her child. Notification can be given to any Colorado public school district office.
- This written notification must be given 14 days before the parent or guardian establishes the home school program. (22-33-104.5(3) (e), C.R.S.)
- The notification must list the child's name, age, place of residence, and attendance hours.
- Please Note: Written notification must be re-submitted to the school district each year the home school program is maintained after the initial year.

- If the written notification is not submitted to the school district the student resides in, the residing school district must be notified as well to avoid truancy action.

Local Home School Resources:

Peterson AFB Homeschoolers Facebook:
http://www.facebook.com/PetersonSLO?ref=hl#!/groups/301670586525197/

The Peterson Homeschool Group is comprised of active, reserve, and retired military members and their families. We are located on Peterson AFB in Colorado Springs. Our goal is to provide a supportive atmosphere for our homeschool families and educational opportunities for our children. We have monthly meetings, field trips, swimming and bowling.

District 11 Opportunities

District 11 Community Education classes are open to all. Topics for school age children vary and may include art, animation, babysitting, cartooning, summer foods, writing skills, creative drama, detectives and spies, drawing basics, French, German, reading basics, mental math, sculpture, Spanish, tennis and yoga. Adult classes include computer, world languages, refresher courses, health and wellness, gardening, floral arranging and dance.

Opportunities for the arts have expanded to music, ceramics, papermaking, printmaking, watercolor and hand tinting of photos. The instructors are chosen for their experience and talent. Call 520-2384 for the latest class listings.

Colorado Springs Homeschool Support Group

P.O. Box 26117, Colorado Springs, CO 80936-6117, www.hschool.com, 719-598-2636 (computer information line) Free getting-started information packets; local activities, legislative updates, bi-monthly newsletter, field trips and directory available with membership. CSHSG provides monthly newcomer's meetings and seminars.

Secular Homeschool Support Group

719-689-3029, www.shssg.com , Newcomer's meetings, monthly support group, membership is free, monthly meetings and regular field trips and programs for parents and children. This group provides timely communication between members through an on-line discussion list. SHSSG Cooperative Classes two sessions a year.

School Websites:

All area school districts and individual schools maintain websites. The sites contain important, up-to-date information on your school, to include calendars, student handbooks, parents' information, just to name a few. Please include your school's website in your list of favorite links, and monitor regularly. The following pages include **general** information on those schools in the local area where the majority of our students whose parents are assigned to Peterson AFB attend.

Private Schools

Selection of a private school is a personal matter. Included in this section is a list of some of the private schools near Peterson AFB. It is strongly recommended you validate the credentials of any private institution you choose. You m a y wish to review the Colorado State Board of Education (CSBE) website for a list of state recognized accredited private schools: http://www.cde.state.co.us/index_sbe.htm. The CSBE oversees accreditation of nonpublic preschool, elementary, and secondary schools.

Sample High School Performance by District, Continued

http://www.cde.state.co.us/ SchoolVIEW

Note: Wasson High School, District 11, is now closed.

Appendix B

Checklist for Open Enrollment in Colorado

☐ 1. Determine which school district(s) you are likely to enroll your child in (students who live in the school district are given preference over out-of-district students).

☐ 2. You will need at least the following information when enrolling in a school district for the first time:

- Proof of age (birth certificate or other documentation)
- Proof of home address (such as utility bill)
- Proof of immunization (click here for 2016-2017 requirements)
- Name of the previous school (if your child is open enrolling or transferring from another school district)
- Local schools may ask for other information, check with individual schools about their requirements

☐ 3. Call the school district or school to find out the beginning and ending dates to open enroll in the school you are interested in. Some schools, especially charters, have a different deadline and process from the district.

☐ 4. Find schools. For a list of school options, search SchoolChoiceForKids.org for schools near you. There are two options on the search page. Using option #1 you can find all schools within your area. Or use option #2 to find schools with specific characteristic, such as Montessori, classical education, schools for at-risk students, etc. Also ask the school district about unique programs it may offer.

☐ 5. Find out where to obtain and drop off open enrollment forms (for example: at the school or a district office).

☐ 6. Find out what the selection process is (for example: if there is a waiting list, does the school accept new students on a first-come-first-served basis or through a lottery system?).

☐ 7. Read the school district board policy on open enrollment transfers.

☐ 8. If your student plans to participate in high school varsity athletics, read the CHSAA rules regarding limitations on participation for students who transfer schools.

☐ 9. Visit the schools you are considering. Learn more about how to select a school here.

☐ 10. Submit your application(s) to open enroll your child. You may want to apply to more than one school, in case your first choice is not available. Some school districts limit the number of schools you can apply to.

☐ 11. Determine how you will transport your student to the school. Most school districts do not provide transportation for students who choose to enroll in a school outside their neighborhood attendance area.

☐ 12. Ask how long the enrollment is valid for. Find out if you will have to reapply each year.

APPENDIX C

ALWAYS HAND CARRY the following information for each child:

- ☐ Birth certificate
- ☐ Social Security Number, child's military ID card
- ☐ Immunization records
- ☐ Report cards/withdrawal grades
- ☐ Copy of school transcript/course history (with grading system)
- ☐ Legal documents (guardianship/custody papers)
- ☐ IEPs for students with special needs, 504 Plans, Gifted Program Description, ESL, etc.
- ☐ Proof of residency/military orders (utility bills/lease/escrow deed, housing contract)
- ☐ Writing samples, activities records, community service or service learning, JROTC records, academic recognition/competition participation, attendance/tardy records, standardized test scores.

Military Child Education Coalition
http://www.militarychild.org/
Military Children's Interstate Compact

Military Child Education Coalition
...for the sake of the child.

The goal of the compact is to replace the widely varying policies affecting transitioning military students. The compact leverages consistency: It uses a comprehensive approach that provides a consistent policy in every school district and in every state that chooses to join.

The compact addresses key educational transition issues encountered by military families including enrollment, placement, attendance, eligibility and graduation.

School In & Out Processing Checklist

School Liaison Program

Tel: 719-556-6141

Leaving a School District:

- ☐ Notify the school a Week or more before leaving.
- ☐ Ask for copy of transcript.
- ☐ Sign a request to have official copy of transcripts sent to the new school.
- ☐ Ask for copy of IEPs for students with special needs.
- ☐ Find out the latest date your child can check out of school and receive full credit.
- ☐ Ask if child may work on independent studies to complete a credit.
- ☐ Ask if child can complete credits after he/she has left the school district.
- ☐ Ask if school district can provide class work to allow student to finish a class at his/her new school and earn credit at the previous school.
- ☐ Request work that your child can do to keep current during the transfer/PCS.
- ☐ Request counselors recommendation for placement; letters of recommendation (especially for seniors).
- ☐ Address, phone numbers, contact information, web-sites of school; school profile/handbook., course description book.
- ☐ Copy of the cover of each textbook or the title page/ table of contents/course descriptions.

Entering a New School:

Before arriving at your new assignment:

- ☐ Contact new school district and installation SLO!
- ☐ Check on the Internet to see if the school district has a web-site.
- ☐ Ask for general information abut the school district.
- ☐ Ask for information about what school your child will be attending.
- ☐ Ask for a copy of the school calendar.
- ☐ Check to see if you can register your child prior to arriving at your new assignment. Colorado School Choice Application.
- ☐ Ask the school district what they do if you arrive at your new assignment and do not have a permanent address.
- ☐ What can you take care of prior to arriving at your new school? Physical examinations, Immunizations?

Specific questions about the school programs:

- ☐ What is the relationship between school district and military installation?
- ☐ Is your School Board and leadership team dedicated to quality education?
- ☐ What is your parent participation in the educational process?
- ☐ What are your districts test scores?
- ☐ What is your average class size?
- ☐ Do you offer a high ability learner program?
- ☐ Do you offer a special education program?
- ☐ Do you have remedial programs for students?
- ☐ Do you have counselors for all grade levels?
- ☐ Do you offer a summer school program?
- ☐ Is school bus transportation available? Is there a fee? (e.g. D20 & 49 assess fees)

Elementary:

- ☐ What is the entrance age of children in kindergarten?
- ☐ Do you have full-day kindergarten? Is there a fee?
- ☐ Do you offer a developmentally appropriate early childhood program (i.e. hands-on approach)?

Middle School:

- ☐ Do you follow traditional middle school philosophy or use teaching teams?
- ☐ Do you have a buddy system to help my child during the first weeks?
- ☐ What sports do you have?
- ☐ What other extracurricular activities do you have besides sports?

High School:

- ☐ Is the school on block or traditional scheduling?
- ☐ What is the grading scale (4 or 5 point)?
- ☐ What are the graduation requirements (state-mandated testing, state-mandated class, such as history)?
- ☐ Do you offer: ROTC, advanced placement classes, vocational education, IB Program, college prep programs?
- ☐ What is the policy on a new student becoming vale-dictorian/salutatorian?
- ☐ How does a child participate in programs that have early tryouts (hold several positions to tryout late? Accept videotaped auditions?)
- ☐ Do you provide any test preparation programs for ACT/SAT?
- ☐ Do you have an Interactive Counseling Center?

(3) Long Distance Direct Dial Calls will be charged at standard daytime rate established by local hotel carrier and is subject to an surcharge of .39 percent.
(4) Credit Card Calls and 800 Calls are billed at the established by rate by the carrier.

C. Procedures for calling:
(1) Local Calls 99 + Number
(2) Long Distance 98 + 1+ Area Code + Number
(3) Credit Card & Collect 98 + 0 + Area Code + Number

D. Long Distance Carrier of Choice: You have a right to obtain access to the interstate common carrier of your choice. Using a different long distance company is easy.

Each company has a code with five numbers. The first two numbers are always 1 and 0. Dial the code of the company you want to use. Codes are shown below.

Then dial 1 + the phone number you want to reach. Your call will be sent through the long distance company you have chosen. Not all companies shown may provide long distance from your location. If you use the code of a company not serving your location, your call will not be completed. In addition, some of the companies listed below may require that you set up an account with them before you use their 10XXX code.

AT&T	10288
Charter Network	10035
MCI	10222
TELCOM USA	10852
U.S. Sprint	10333

E. Complaints: Any complaints regarding carrier operator services may be directed to:

NOTES

DO NOT DISCUSS CLASSIFIED INFORMATION ON THE TELEPHONE

ARRIVAL

GETTING HERE

Directions from airport: The Colorado Springs Airport is south of Peterson AFB. Following the road exiting the airport, turn right on Powers Boulevard. Stay on Powers approximately 6 miles. Turn right at the Airport Road intersection. Turn right at the next light. This is the access road to the Peterson AFB West Gate. If you wish to enter Peterson AFB through the North Gate, stay on Powers Boulevard until you reach Platte Avenue (U.S. Highway 24). Exit right; the exit for the North Gate is approximately 1 mile east of Powers Boulevard.

Directions if driving: If entering Colorado Springs on Interstate 25 from south or north, exit on Academy Boulevard. Proceed toward the center of the city, turn east on Platte Avenue (U.S. Highway 24). The Peterson AFB North Gate will be on the right, approximately 1 mile east of Powers Boulevard. If coming from the east on Highway 24, the Peterson AFB North Gate will be on your left, on the eastern edge of Colorado Springs.

SPONSOR INFORMATION

Your sponsor can help make your arrival and inprocessing procedure smooth. Talk with your sponsor about your needs and ask for assistance with transportation, maps and base procedures. The Air Force established the sponsor program to make reassignment easier. Your sponsor has experienced the relocation you are about to make and has answers to many of your questions. If you don't hear from your sponsor within 60 days of your reporting date, call your new unit's orderly room.

ARRIVAL AND SIGNING IN

Peterson AFB has three visitor control gates. The West Gate is open 24 hours a day. The North Gate hours of operation are 6 a.m. to 6 p.m. Monday through Friday; closed weekends and holidays. The East Gate hours of operations are 6 a.m. to 9 p.m. Monday through Friday, 8 a.m. to 9 p.m. Saturday and 9 a.m. to 7:30 p.m. Sunday. To sign in at Peterson or Cheyenne Mountain Air Force Station, report to the Military Personnel Flight in Building 350. People assigned to Schriever AFB must report to their unit orderly room, which will schedule them for inprocessing. The base dorm manager can be called at 719-556-3832. The number for the lodging office in Building 1042 is 719-556-6293.

TELEPHONE AND DSN INSTRUCTIONS

The Colorado Springs and vicinity area code is 719. Peterson's DSN prefix is 692 for numbers with a 554 commercial prefix. For numbers with a 556 prefix, the DSN prefix is 834. Schriever's DSN prefix is 560. To reach Schriever from a commercial line, use a 567 prefix. Cheyenne Mountain's DSN prefix is 268. To reach Cheyenne Mountain from a commercial line, use a 474 prefix.

LOCATOR

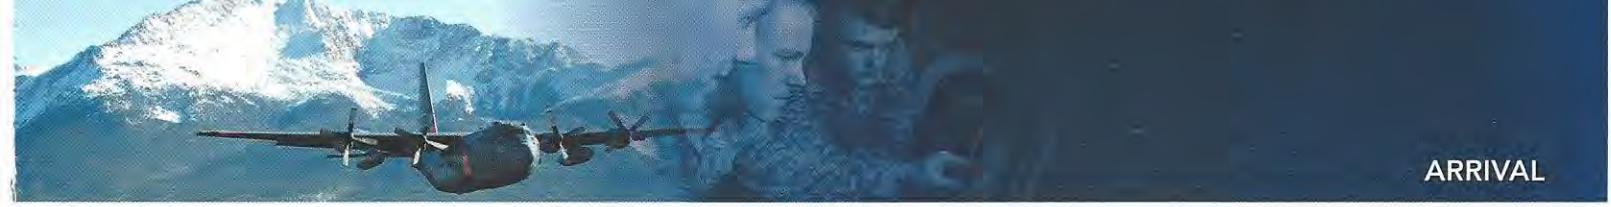
Some of the following telephone numbers may be helpful:

Peterson Operator
719-556-7321 or DSN 834-7321
Schriever Operator
719-567-1110 or DSN 560-1110
Cheyenne Mountain Operator
719-474-1110 or DSN 268-1110

The Visitors Center is a good place to meet sponsors. It is at the West Gate on Stewart Avenue.

POST OFFICE

Peterson's Post Office, in Building 1466, offers complete postal services, including money orders, stamps, parcel post, express mail, international mail service and registered, certified and insured mailing and limited service for people who collect stamps. The post office also rents lock boxes. A stamp vending machine is available 24 hours a day in the lobby.



GIANT VOICE SYSTEM

In addition to broadcasting Reveille and Retreat, the Giant Voice system plays a critical role in notifying base members of severe weather warnings and operational notifications such as force protection condition changes. For example, if a tornado is spotted in Colorado Springs, a tornado siren warning would be a steady three- to five-minute tone. If an announcement for "lockdown" is heard, seek shelter and lock all doors to your location. There is a weekly base siren system test every Friday at noon. An announcement is made prior to, and immediately after the test, informing base personnel to disregard the sirens.

CUSTOMS AND COURTESIES

On Peterson, Reveille plays at 7 a.m., followed by "To the Colors." Retreat, followed by the national anthem, sounds at 5 p.m. and taps plays nightly at 10 p.m. Reveille and Retreat, respectively, signal the beginning and end of the official duty day while "Taps" signifies "lights out" or the beginning of quiet hours.

Regardless of whether they are in uniform or not, Airmen are required to stop and turn toward the flag at the first sound of Reveille or Retreat and stand at the position of parade rest. In the event the flag is not visible, they should turn toward the general direction of the music. Those in uniform should come to the position of attention and render a salute when they see the flag being raised or lowered or at the first note of "To the Colors" or the national anthem. Those not in uniform may salute, but at a minimum should come to attention and stand with their right hand over their heart. If not saluting, men wearing a hat should remove it with their right hand and hold it at their left shoulder with their right hand over their heart. In accordance with 21st SW policy, these courtesies should be held until "To the Colors" or the national anthem has finished playing or until the flag has been completely raised or lowered.

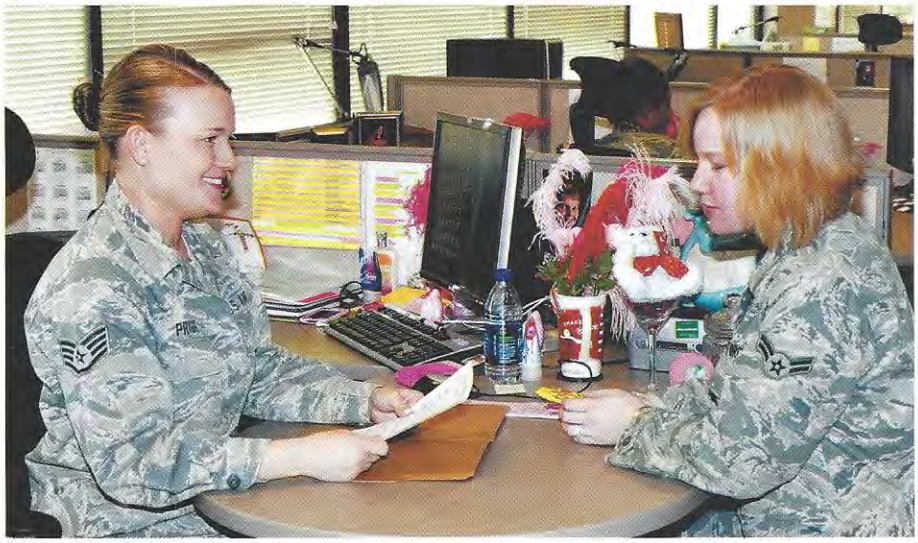
Airmen wearing the Air Force's physical training uniform should render the same courtesies appropriate when wearing other Air Force uniforms.

Vehicle operators also have a role to play in rendering respect during Reveille and Retreat. Anyone driving a vehicle on base should come to a complete stop at the first note of "To the Colors" or the national anthem and put their car or motorcycle in park. Everyone inside the vehicle should remain quietly seated.

While formal protocol procedures are not required during the normal playing of "Taps," if it is played at a military funeral or memorial honors ceremony it is a different matter. Service members attending these events should render a salute upon hearing the first note of "Taps" and should hold their salute until the last note is played. Anyone not in uniform should come to the position of attention and place their right hand over their heart. As with Reveille or Retreat, men wearing a hat should remove it with their right hand and hold it at their left shoulder with their right hand over their heart.

INCLEMENT WEATHER PROCEDURES

To meet mission requirements and still take the best possible care of people during inclement weather, delayed reporting, early release and base closure procedures are in place for all military and civilian people assigned to Peterson.



For purposes of reporting during inclement weather, base members will be designated as either essential or nonessential.

Everyone should check with their supervisor to see which category applies to them.

Essential: The minimum number of people needed to keep critical operations functioning until additional support arrives. These people include, but are not limited to, firefighters, security forces, command and control, snow removal, medical personnel, dining facility workers, designated childcare workers and shift workers.

Nonessential: People who could be delayed for short periods of time (hours to days) without serious mission impact.

Notification: The Peterson Snow Information line 719-556-SNOW (7669) will be updated by 5:30 a.m. Inclement weather decisions will also be relayed to selected radio and television stations for broadcast and to the Peterson Facebook page.

Military members assigned to Schriever should call 719-567-SNOW (7669) and members assigned to Cheyenne Mountain should call 719-474-3333.

Delayed Reporting: This authorizes nonessential members additional time to safely report to work. The 21st Space Wing commander initiates delayed reporting when off-base driving conditions require additional time to arrive safely and gives on-base snow removal teams time to prepare the base for normal activity following a major winter storm.

People should not plan to arrive earlier than the delayed reporting time to minimize interference with snow removal operations. Base housing residents should consider walking to work to minimize traffic on streets and in the parking lots.

Delayed reporting is based on normal duty hours, 7:30 a.m. to 4:30 p.m., and is mandatory for nonessential members to comply.

Phased Early Release: Nonessential people may depart their duty location at a specified time before the end of the duty day. Phased early-release notification will be passed through unit commanders and will be completed in 30-minute intervals.

The 30-minute interval reduces traffic congestion leaving the base and helps ensure everyone makes it home safely. Based on mission requirements, supervisors should use their judgment in deviating from the phased early release plan.

Base Closure: This means only essential personnel must report to duty (or remain on duty) if weather is severe enough to prevent replacements from safely reporting.

Community Profile

History

General William Jackson Palmer founded Colorado Springs in 1871, envisioning a resort community always in view of Colorado's famous Pikes Peak. Within seven years, the Antlers Hotel was built; and by 1918, the renowned Broadmoor Hotel was constructed.

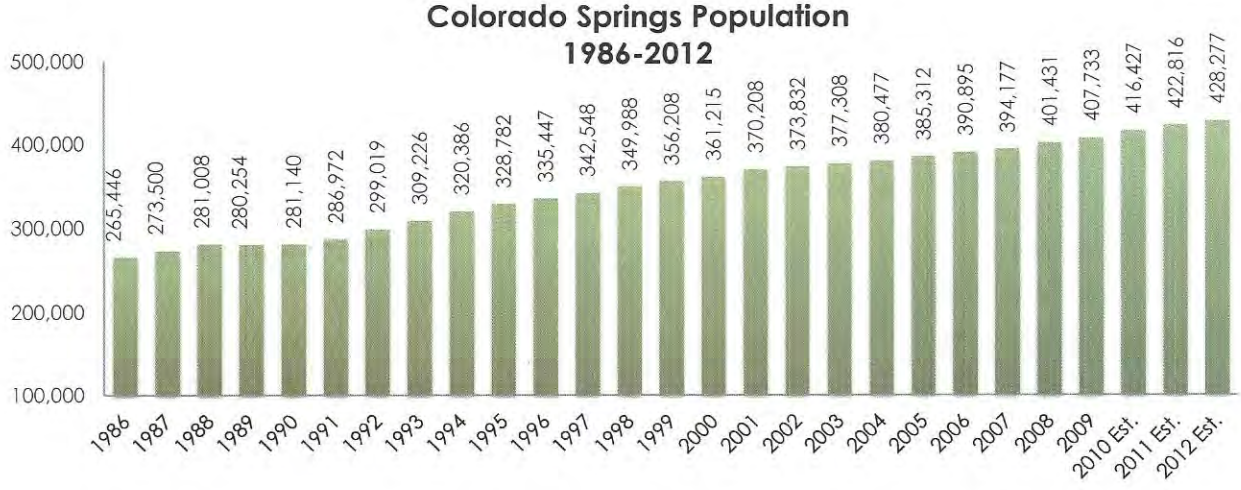
Beginning in the late 1800's, Colorado Springs became a natural health destination for tuberculosis patients because of the nearly 300 days of sunshine a year, natural mineral springs, and dry mountain air.

Throughout its history, Colorado Springs has been a popular tourist destination due to its surrounding natural beauty and magnificent climate. Some of the more visited sightseeing attractions in and around Colorado Springs include Garden of the Gods, Pikes Peak – America's Mountain, United States Olympic Headquarters and Training Center, Cheyenne Mountain Zoo, United States Air Force Academy, and The Broadmoor Hotel.

Population

Colorado Springs is located at the foot of Pikes Peak, 70 miles south of Denver. With a land area of 194.68 square miles and a 2012 estimated population of 428,277, Colorado Springs is the State's largest city in terms of area and second only to Denver in population.

The population of Colorado Springs has grown dramatically since the 1980s, increasing 61.3% from 1986 to the estimated 2012 population.



Local Economy

The economic base has become quite diversified with a mix of military installations, defense contracting, healthcare, software development, semiconductor manufacturing, telecommunications, data centers, religious and nonprofit associations, and of course, tourism.

Area military installations are a significant factor in the local economy, constituting over 20% of all employment. Five major military installations are in the city: Fort Carson, Schriever and Peterson Air Force Bases, Cheyenne Mountain Air Station, and the United States Air Force Academy.

The spectacular climate and lack of significant natural disasters make it a choice location for software development, semiconductor manufacturing, data centers, and telecommunications. The high-tech industry is the second highest employer in the City.

Top Ten Private Sector Employers (Excluding School Districts)

- Penrose-St. Francis Health Services
- Broadmoor Hotel
- Progressive Insurance Company

Education

There are nine public school districts serving Colorado Springs with more than 130 public elementary, middle, junior, and senior high schools. There are also 64 private, parochial, and charter schools.

In addition, Colorado Springs has more than 50 vocational and two-year schools, colleges, and universities. Below is a list of the City's largest colleges and universities.

Largest Post-Secondary Schools in the City

School	Students
1. Pikes Peak Community College	14,789
2. University of Colorado at Colorado Springs	8,892
3. United States Air Force Academy	4,461
4. Colorado Technical University	2,091
5. Colorado College	2,040
6. Regis University	1,400
7. Nazarene Bible College	957
8. University of Phoenix	594
9. Colorado State University – Pueblo	589
10. Intellitec College	587

MILITARY CHILD EDUCATION COALITION http://www.militarychild.org/

The work of the Military Child Education Coalition (MCEC) is focused on ensuring quality educational opportunities for all military children affected by mobility, family separation, and transition. A 501(c)(3) non-profit, world-wide organization, the MCEC performs research, develops resources, conducts professional institutes and conferences, and develops and publishes resources for all constituencies. Visit their website to learn more, www.militarychild.org/. Some programs offered are:

MCEC Military Student Transition Consultants (MSTC)
Parents/Students
Services Provided: Answers to your K-12 education questions, referrals for on post services and resources, educate district stakeholders on issues surrounding pre-deployments, deployments and transitions, assist with transitions, assist with children with special needs, and presentations

The Call for the Arts
Students
Visual arts & writing allow us a glimpse into the world of military children – as seen through their eyes. The Military Child Education Coalition (MCEC) believes that artistic expression is a pure, sincere and candid method children use to communicate pride in their parents, celebrate their military-connected lives, and acknowledge their grief or worry, and so much more.

Since the MCEC began the —Call for the Arts‖ in 2002, thousands of military children – from all over the world, from every service, of all ages – have mailed us their drawings, their poems, and their interpretations of what it means to be a military child. The MCEC takes advantage of every opportunity to display the artistic skill of these unique, resilient children. Submissions must include the Official Submission Form and be postmarked by the last Friday in January, 2013, every year.

Tell Me A Story (TMAS)
Parents
The MCEC Tell Me A Story (TMAS) program empowers military-connected children by using literature and children's own stories in a way that fosters skills for resilience, strong peer and parent connections, a sense of pride and accomplishment, and a caring community. The MCEC believes that stories have the capacity to open family discussions on potentially difficult topics, such as family separation, deployment, moving, grief, and crisis.

Bernard Curtis Brown II Memorial Space Camp Scholarship
Parents
The scholarship provides military-connected children the opportunity to have an extraordinary week-long experience at Space Camp in Huntsville, Alabama, that brings together the worlds of service, science, and learning

Frances Hesselbein Student Leadership Program
Students
The Frances Hesselbein Student Leadership Program was established by the Military Child Education Coalition (MCEC) in 2006 to identify exemplary young people through their participation in the MCEC Student 2 Student (S2S) program.

Student 2 Student and Junior Student 2 Student
Students
The MCEC Student 2 Student (S2S) program trains civilian and military-connected high school students to establish and sustain peer-based programs in their schools to support mobile children as they transition to and from the school.

Parent to Parent
Parents:
The MCEC Parent to Parent program trains teams of parents to bring the MCEC Parent Workshops to their local communities. These workshops focus on empowering parents to be their child's strongest advocate on educational and social issues. More than 100,000 family members have been trained since 2006.

School Quest **https://www.schoolquest.org**
Parents
Designed for military students, their families and the caring professionals who support them, SchoolQuest™ is an educational resource tool from the Military Child Education Coalition®. Although our primary audience includes military students and their parents, SchoolQuest is well-suited to anyone who is "questing" information about schools, college and workplace readiness, transition, etc. It is meant to facilitate the search for new schools and centralize resources.

Information Web-sites for Military Families

Military One Source – resources for military life & deployment, family & recreation, health & relationships, career & education, financial & legal, crisis & disasters and community: www.militaryonesource.mil
Military OneSource DoD MWR Library Resources – library resources available at no charge to service members and their families; academic reference site audio books, eBooks, test prep, Tumble books for beginning readers and TumbleReadables – an online collection of read-along titles for elementary, middle and high school students which features adjustable online text and complete audio narration. Sentences are highlighted as they are being read and the pages turn automatically. The collection features chapter books, early readers, YA/Teen Novels, high interest/low level books for both middle and high school students plus classics of American literature.

FREE TUTORING & HOMEWORK RESOURCES

- ParentSmart.com - A great Internet resource for educators, counselors, and parents. The advanced search function finds the most up-to-date information on any issue involving children and education in English, Spanish, and French. ParentSmart also provides reliable reviews of articles found on the Internet: http://www.parentsmart.com/
- Tutor.com - Free tutoring for military and dependents; get help from a professional tutor anytime you need it. Tutors are online 24/7 and available to help in over 16 subjects: www.tutor.com
- Student Online Achievement Resources (SOAR) - an innovative program that makes it easy for parents to play an active role in their children's education. SOAR was designed for all military families worldwide and classmates of military dependents in schools serving military installations. Coast Guard, Reserve, and National Guard families are also eligible. Students take an assessment aligned to state standards, and SOAR directs them to individualized tutorials to improve skills where needed. Parents can monitor their children's progress from anywhere, and are pro-vided with resource materials: www.militarystudent.org
- NCES Kid's Zone - The NCES Kids' Zone provides information to help you learn about schools; decide on a college; find a public library; engage in several games, quizzes and skill building about math, and to learn many interesting facts about education: http://nces.ed.gov/nceskids/
- Discovery Education.com - A free resource site for schools, parents and students that includes homework help, activities, videos, motivational strategies for parents and links to other helpful sites: http://www.discoveryeducation.com/parents/
- Kids.gov - a safe place where kids can create, share and learn: http://kids.gov/
  More fun and informative government websites for kids: http://www. kids.gov/internal/archive.shtml
- Children, Youth and Families Education Network - practical research-based information from the Nation's Leading Universities: http://www.cyfernet.org
- Math Forum - resource for improving math learning, teaching, and communication: http://mathforum.org/

- Children, Youth and Families Education Network - practical research-based information from the Nation's Leading Universities: http://www.cyfernet.org

GIFTED AND TALENTED RESOURCES

- Council for Exceptional Children http://www.cec.sped.org/
- GT World has online support for families http://gtworld.org/
- National Association for Gifted Children http://www.nagc.org/
- Scroll down the page for state affiliates, parent-teacher questions, and great website resources. Parents are often encouraged to join the state parent group. Then if you still have a question, send a message to a parent resource specialist through the *Contact Us* tab at the bottom of the screen.
- National Conference of Governor's Schools http://ncogs.org/
- Check out their current programs being offered in each state.
  National Research Center on the Gifted and Talented http://www.gifted.uconn.edu/nrcgt.html
  Look for online resources and newsletters.

Bilingual/English as a Second Language Program & English Language Learners Program Resources
National Information:

- For information on a national level, link to the federal Office of English Language Acquisition http://www.ed.gov/about/offices/list/oela/index.html
- The National Clearinghouse for English Language Acquisition and Language Instruction Education Programs (NCELA) Web site has a wealth of information for parents and educators. http://www.ncela.gwu.edu/
- Look here for Parent Information about helping children with their studies: http://www2.ed.gov/parents/academic/help/hyc.html

State Information:

- Use this site to locate information on your state's programs. http://www.ncela.gwu.edu/t3sis/
- Parents can also visit the individual state education department Web sites through the Education Resource Center. Some states list these programs under different names including English Language Learners. Other states may couple this program with the state bilingual program. http://www.militarychild.org/military-parent/education-resource-center/

Tests that are accepted for College Application:
Test of English as a Foreign Language
http://www.ets.org/toefl/
ACT English as a Second Language Test
http://www.act.org/esl/index.html

ADDITIONAL RESOURCES

- Kid Info - KID INFO - saves you "valuable time" and allows you to spend "quality time" by eliminating the chore of sifting through hundreds of search engine results! KID INFO provides YOU with a FREE educational website directory that links to the BEST PreK-12 quality educational websites, videos, and PowerPoint's. KID INFO also links to informative, interesting, and challenging educational game websites: http://www.kidinfo.com/
- Info please - a comprehensive reference source that combines the contents of an *encyclopedia,* a *dictionary*, an *atlas,* and several *almanacs* loaded with statistics, facts, and historical records. A single search engine allows you to search all these sources at once: http://www.infoplease.com/
- Top14 Websites For Students – Microsoft recommends these as some of the most comprehensive—and reliable—educational websites a student can bookmark and use to research school projects and homework assignments: http://www.microsoft.com/athome/students/studentsites.aspx
- Homework Spot - a free homework information portal that features the very best K-12 homework- related sites together with engaging editorial in one high-utility, edu-cational search engine: http://homeworkspot.com/

- Family Education - Parenting advice, activities for children, family games & recipes, homework strategies and skill building activities for children: http://www.familyeducation.com/home/

- Great Web Sites For Kids - American Library Association's list of recommended websites for kids; animals, literature & Languages, Sciences, The Arts, Reference Desk, History & Biography, Mathematics & Computers, Social Sciences and other Sites for Parents, Caregivers, Teachers & Others: http://www.ala.org/greatsites
- Military Families Near and Far - An online community developed my Sesame Workshop, the non-profit educational organization behind Sesame Street, for sharing military family resources: http://familiesnearandfar.org
- Military Kids Connect - Is a fun, interactive online community for military children (ages 6-17 yr old) that provides access to age-appropriate resources to support children from pre-deployment, through a parent's or caregiver's return: http://militarykidsconnect.org

PCS/TRANSITION SUPPORT

- One of the main things is to talk about the move with your child include why you are moving, what you will miss.
- Younger children may draw pictures, write, or act out their feelings.
- Memories are important and can be saved through an address book or scrapbook you can complete together.
- Take some time to say goodbye to people, places, and things.
- Pack up your child's room last.
- Let you child pack some of their own things.
- Pack a special bag for traveling. Include a favorite book, toy, or any special item that will make the trip easier to take.

Family Support Services

Check what services are available through your installation through your family support services.

- Military HOMEFRONT: Troops and Families: Moving http://www.militaryhomefront.dod.mil/portal/page/mhf/MHF/MHF_HOME_1?section_id=20.40.500.400.0.0.0.0.0

- Air Force Crossroads: Relocation; https://www.afcrossroads.com/relocation/main.cfm
- Military Kids on the Move http://apps.militaryonesource.mil/MOS/f?p=MYOM:HOME2:0

DoD STARBASE
A Department of Defense Youth Program

STARBASE is a **FREE** Department of Defense (DoD) community outreach program that offers fifth grade students an inspiring, five-day, ***25-hour, hands-on curriculum that emphasizes the application of Science, Technology, Engineering, and Math (STEM).***

STARBASE ***meets National Math and Science Standards*** and is a proud leader in introducing the latest STEM concepts to its students through inquiry-based curriculum that engages students in ***exciting "hands-on minds-on" experiments and technological activities***.

While at STARBASE, the students will have the ***opportunity to tour and/or participate in presentations from several organizations at Peterson Air Force Base***.

Classroom ***hours are 9:00am to 2:00pm***. ***School districts and/or schools must provide transportation to and from Peterson AFB***. Teachers, students, and chaperones ***must bring their own lunch and beverage***.

Students will have an opportunity to learn a variety of concepts including:

Math (Geometry, Metric Measurement, etc.)

Chemistry (Molecular Models, Solubility, etc.)

Engineering (Engineering Design Process, Computer Aided Design, etc.)

Technology (Nanotechnology, Using a Global Positioning Satellite Receiver, etc.)

Physics (Bernoulli's Principle, Newton's Laws of Motion, etc.)

Contact us today for a unique STEM experience!
