

EpicMIX Racing

The start of the EpicMIX race course is accessed via top of Dercum Mountain on Flying Dutchman (under the River Run Gondola). Foot Passengers and Skiers can access the start line. Only skiers will be able to ski down to view the entire course. Spectators on foot will have to walk back up to access the gondola to download back to the base of Keystone – River Run Village. See map below

All racers should **ACTIVATE THE EPIC MIX MEDIA CARD**; complete the following on <http://www.epicmix.com/>

- EpicMix media card will be available at Conference Registration (along with trail maps)
- Create a username & password
- Enter the Epic Mix media card number in your EpicMIX Account
- If you have an EPIC season pass, your EpicMIX account will be associated with your pass #.
