## Preparing for bad weather:

### Commissaries offer savings on emergency supplies

When a bad storm approaches, there are two types of people: those who are prepared and those who aren't.

Commissary patrons can choose to be ready and use their commissary benefit to purchase emergency supplies, said Army Command Sgt. Maj. Tomeka N. O'Neal, the Defense Commissary Agency's senior enlisted advisor to the DeCA director.

"No one can predict or control the future, but you can best believe storms will come," O'Neal said. "What you can control is how much of your pay you'll save by using your commissary to be prepared for severe weather."

The North Atlantic hurricane season is June 1 to Nov. 30 and covers the North Atlantic Ocean, the Caribbean Sea and the Gulf of Mexico. Tornado season is April to July.

## Summer savings:

### June kicks off commissaries' red hot promotions

June is a time to honor fathers, the flag and the Army's 244th birthday. The month is also jam-packed with hot savings events for commissary patrons such as Healthy Lifestyle Festivals and sales promotions to help them prepare for their July 4th celebrations and more.

"Summer is here and it's time to celebrate!" said Army Command Sgt. Maj. Tomeka N. O'Neal, the Defense Commissary Agency's senior enlisted advisor to the DeCA director.

"I'll admit my bias for the Army's Birthday, but Father's Day has universal appeal as a day of reflection and family, and usually involves gatherings around food," she continued. "Whether you're grilling, cooking a big breakfast, or spending quality time together with a few snacks keep in mind that your commissary brings you quality and great prices to help you celebrate even more."

## Store Director's Scoop

"It is the month of June,  
The month of leaves & roses,  
When pleasant sights salute the eyes & pleasant scents the noses."  
- Nathaniel Willis

The month of June is the gateway to Summer & it has finally arrived.

There are many special occasions to observe during the month of June. June 14 is Flag Day. Celebrate that day with a Strawberry/Blue Berry Flag Cake.

Ingredients: 1 Package Yellow Cake Mix, 1 8 Ounce Container Whipped Topping, 1 Pint Blue Berries, 2 Pints Strawberries, Prepare the cake according to package directions, let cake cool completely, ice the cake with whipped topping, Place blue berries in a square in the left corner & arrange sliced strawberries into stripes. Serve chilled. Shop your Commissary for all the fixins'. Next up is a very special day Father's Day, June 16<sup>th</sup>. Why not purchase some nice steaks or ribs for the grill, perhaps a salad & corn on the cob at the Commissary for a special Dad's Day Dinner? Is Dad a "Grill Master"? You can find all sorts of BBQ ingredients, spices, rubs, BBQ tools, BBQ thermometers, at great prices at your Peterson Commissary. Wrap a variety of BBQ Items up as a great gift for Dad on his day. A less well known, but still very fun special day is June 18, "International Picnic Day." Gather your friends & family pack a picnic lunch & get out of the house for a day in the fresh air & the natural environment. It is also the time of year for outdoor cooking as the Summer Solstice is on June 20 the first day of summer. June has the longest days of daylight of any month of the year and because it is finally summer, very warm temperatures can be anticipated.

I want to wish all of our valued Peterson Air Force Base Commissary patrons a safe and happy June. Celebrate Well and Celebrate Safely!!

HAPPY SUMMER!
