The course is approximately 45 minutes in length and will provide you with an understanding of the systems and features of our campers. Upon completion of the course, you will receive a card to present to ODR staff when picking up your rental. If you plan to attend the Camper Orientation Course the same day as your scheduled pick-up, you must attend the morning session.

Date: Every Thursday beginning April 2 and ending October 29.

Location: Outdoor Recreation (Bldg 640)

Time: Morning Class – 10 a.m. • Afternoon Class – 3 p.m. • Call ODR to sign up

Vehicle Requirements:

To tow our campers safely and to abide by Colorado Law, your vehicle must meet the following requirements:

- Class III Hitch with at least 2" receiver
- 2" ball on mount with appropriate drop for your vehicle
- 5,000lbs towing capacity
- 7-way blade electrical plug (Must be integrated into vehicles wiring, adapters do not meet this requirement)
- Brake Controller

If your tow vehicle does not meet all of the above requirements, you will not be able to take the camper.

Camper Rental Policies:

Rental Period: Campers can be rented May through October.

Reservations covering a federal holiday will not receive a refund if canceled.

Pickup/Dropoff: Renter must allow for at least 30 minutes for a thorough inspection when picking up or returning campers. Due to this time requirement, renters must arrive no later than 5 p.m. to pick up/return a camper. (Note: This differs from our general rental policies.)
